

# Bring Miracles to your Parish *at no cost!*

Throughout Christian history, our Lord has shown us that He is really present as the Blessed Sacrament. Through the oversight of **Cardinal Raymond L. Burke**, a beautiful photographic exhibit of the Church-approved Eucharistic miracles was prepared and made available to the people of the United States by the *Real Presence Eucharistic Education & Adoration Association*.

**Una Fides** is honored to sponsor this awe-inspiring exhibit and to offer its exposition **at no cost** to the Catholic community of Central Florida. Una Fides invested in this project to help **educate and inspire** Catholics who yearn to know more about the Blessed Eucharist or for those who do not believe in the Real Presence. Exhibit attendees **"virtually visit"** the places where these Church-approved miracles have taken place and learn all the facts associated with them. The miracles date back to the early centuries and have occurred up to our present day, all over the world, often in times of weakened faith. They have the power to transform and renew our Church even today.

The **complimentary** exhibit features 37 Church-approved miracle panels with clear explanations and beautiful color photography. 20 Miracle panels are also available in Spanish as well as 5 panels expressly designed for children. Una Fides will also provide easels with drapes, table covers and vertical banners to help communities easily host this exhibit **at no cost** to them. Books focusing on the Eucharist, geared to all age groups, are also available at-cost to parishes.
